

NORTH ANDOVER HISTORICAL SOCIETY

Summer Program Drop Off & Pick Up Policy

Drop off in the morning is at **9:30 am** and pick up at **2:30 pm**. Early drop-offs and late pick-ups cannot be accommodated without prior arrangement, and then, only if within a reasonable time frame. **Exceptions are the designated early departure days for field trips as noted on the schedule.**

If someone other than a parent is to going to pick up your child, you must provide written notification to us no later than that morning.

Please remember to bring your child into the Historical Society building in the morning and come inside again in the afternoon to pick them up.

Your child's safety is important to us and we appreciate your cooperation!

OTHER REMINDERS:

Each child should bring his/her own water bottle daily. Lunches should be packed as if the child was going to school. We cannot provide refrigeration.

Weather permitting; the children will be spending some portion of the day outdoors. Sunscreen, bug protection, hats and sunglasses are the responsibility of each individual and their parents.

Some of the activities are messy; please check your child's daily schedule and dress them appropriately.

If we are going on a field trip, sneakers or sports sandals with straps are always the footwear of choice. You may provide your child with a small amount of money to spend in the gift shops at the sites we are visiting. The North Andover Historical Society also has a gift shop. The money will be the responsibility of your child.

We sometimes are subjects of news stories for the area newspapers. These articles often feature photographs. We also photograph the children for our archives, for reports to our grantors and use in our own publicity, including Facebook and our website.

Please be sure to fill out the permission section on the registration form, otherwise permission has been granted by registering for this program.
